

Mount Isa Regional Jobs Committee

MOUNT ISA LGA JOBS PLAN

Annual Action Plan (AAP) →

Date: 2024

Presenter: Mount Isa RJC

INTRODUCTION

Objective

Promote economic growth and sustainable employment opportunities regionally

Scope

Empower regional workforce development, drive sector growth, foster collaboration and champion inclusivity.

Strategic Importance

Economic stability, local workforce development, innovation and co-designed locally

Approach

Place-based, community-driven, research trends, launch initiatives, monitor progress.

STRATEGIC GOALS

> Economic Stability

Strengthening regional employment reduces disparities and promotes financial resilience

> Co-Designed Locally

Solutions shaped by local stakeholders ensure relevance and lasting community impact

> Local Workforce Development

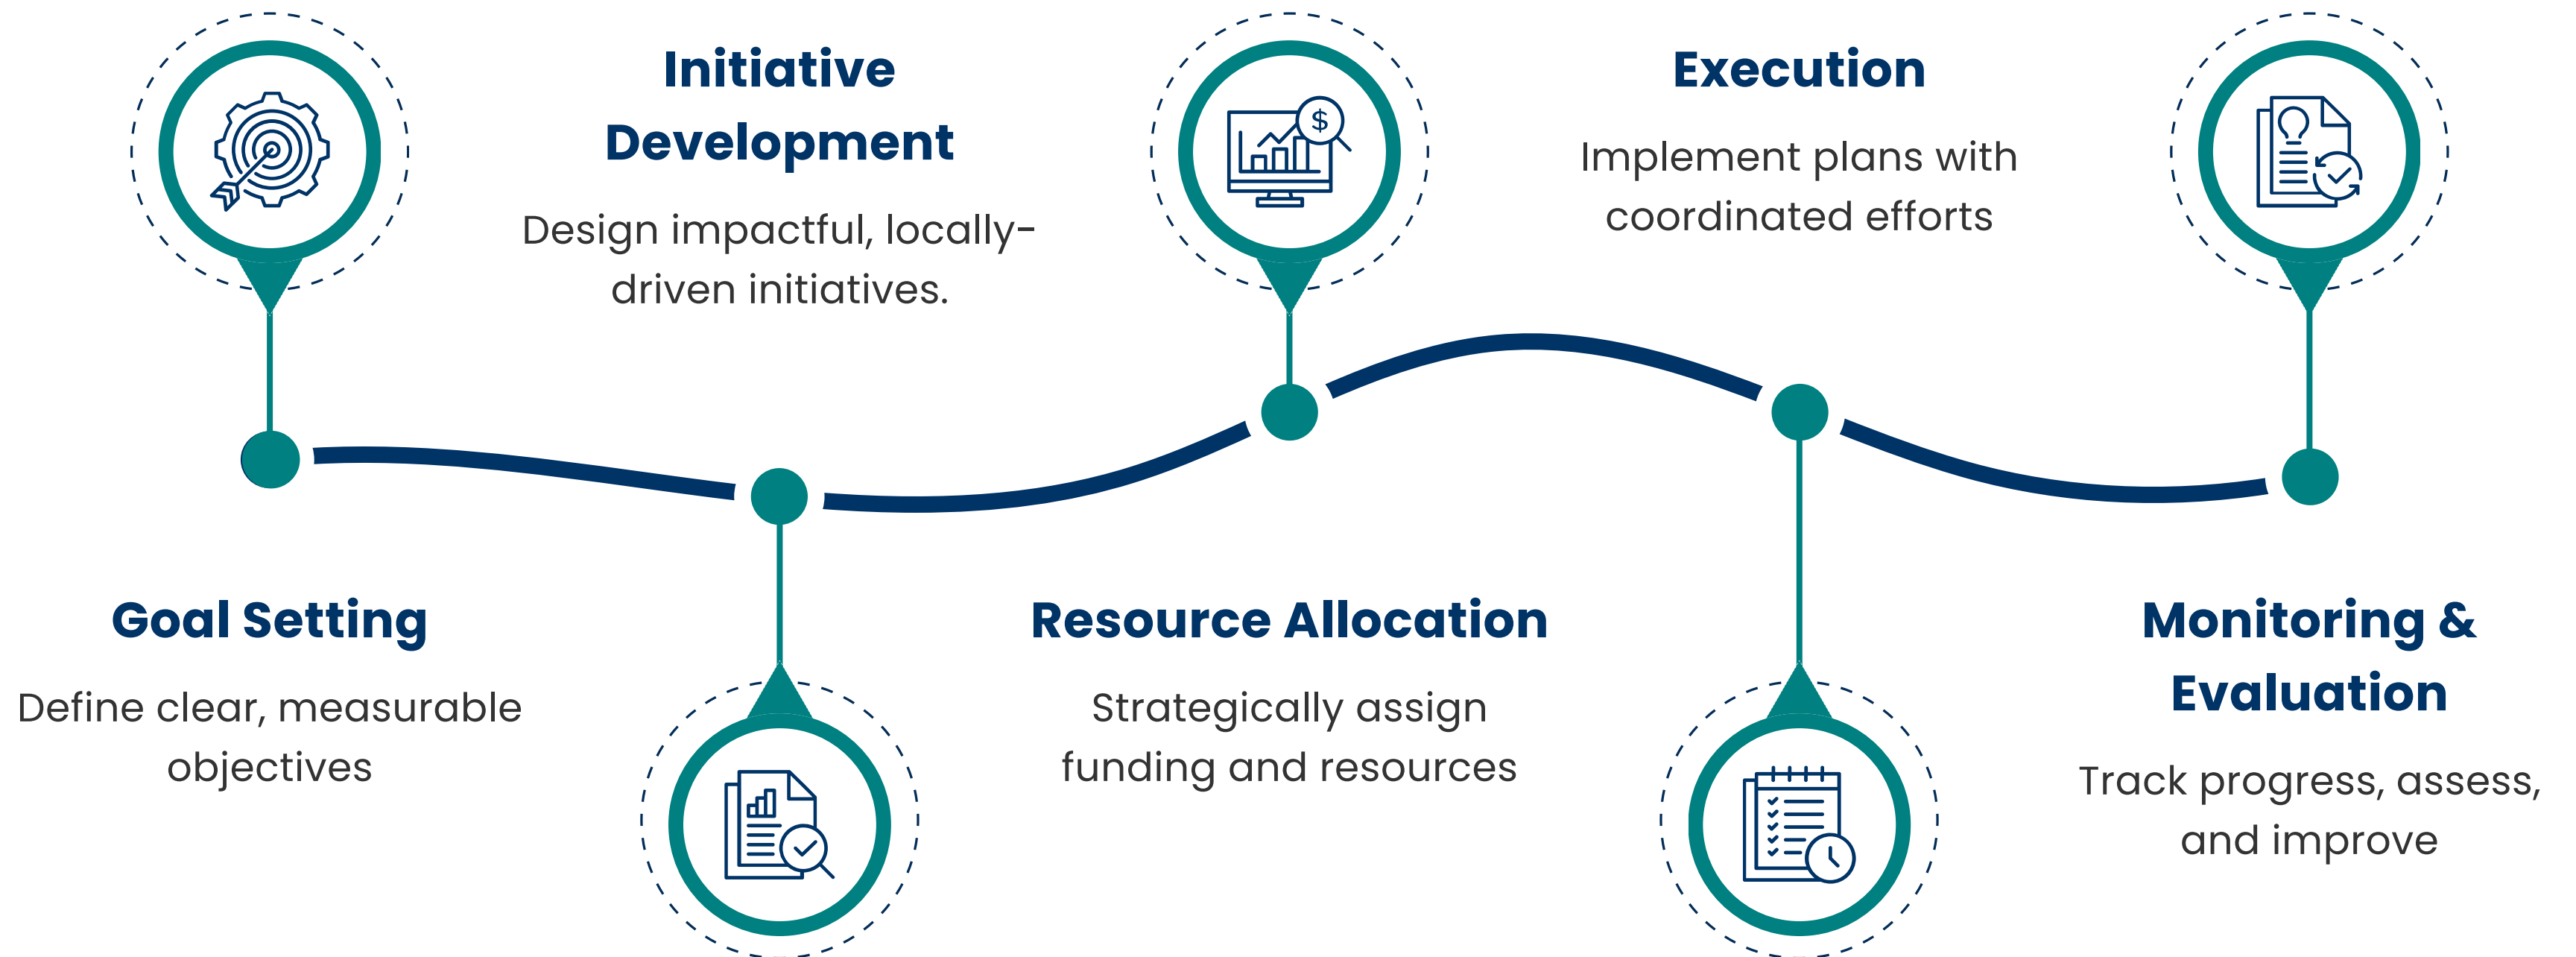

Equipping the workforce with skills aligned to future demands supports regional growth

> Innovation and Competitiveness

Driving innovation and enhancing competitiveness ensures regional businesses thrive

STRATEGIC PLANNING PROCESS

KEY INITIATIVES

Co-Design and Capability Building Initiative

Fosters local collaboration to co-design training, build workforce capability, align with industry needs and drive sustainable economic growth

First Nations Initiatives

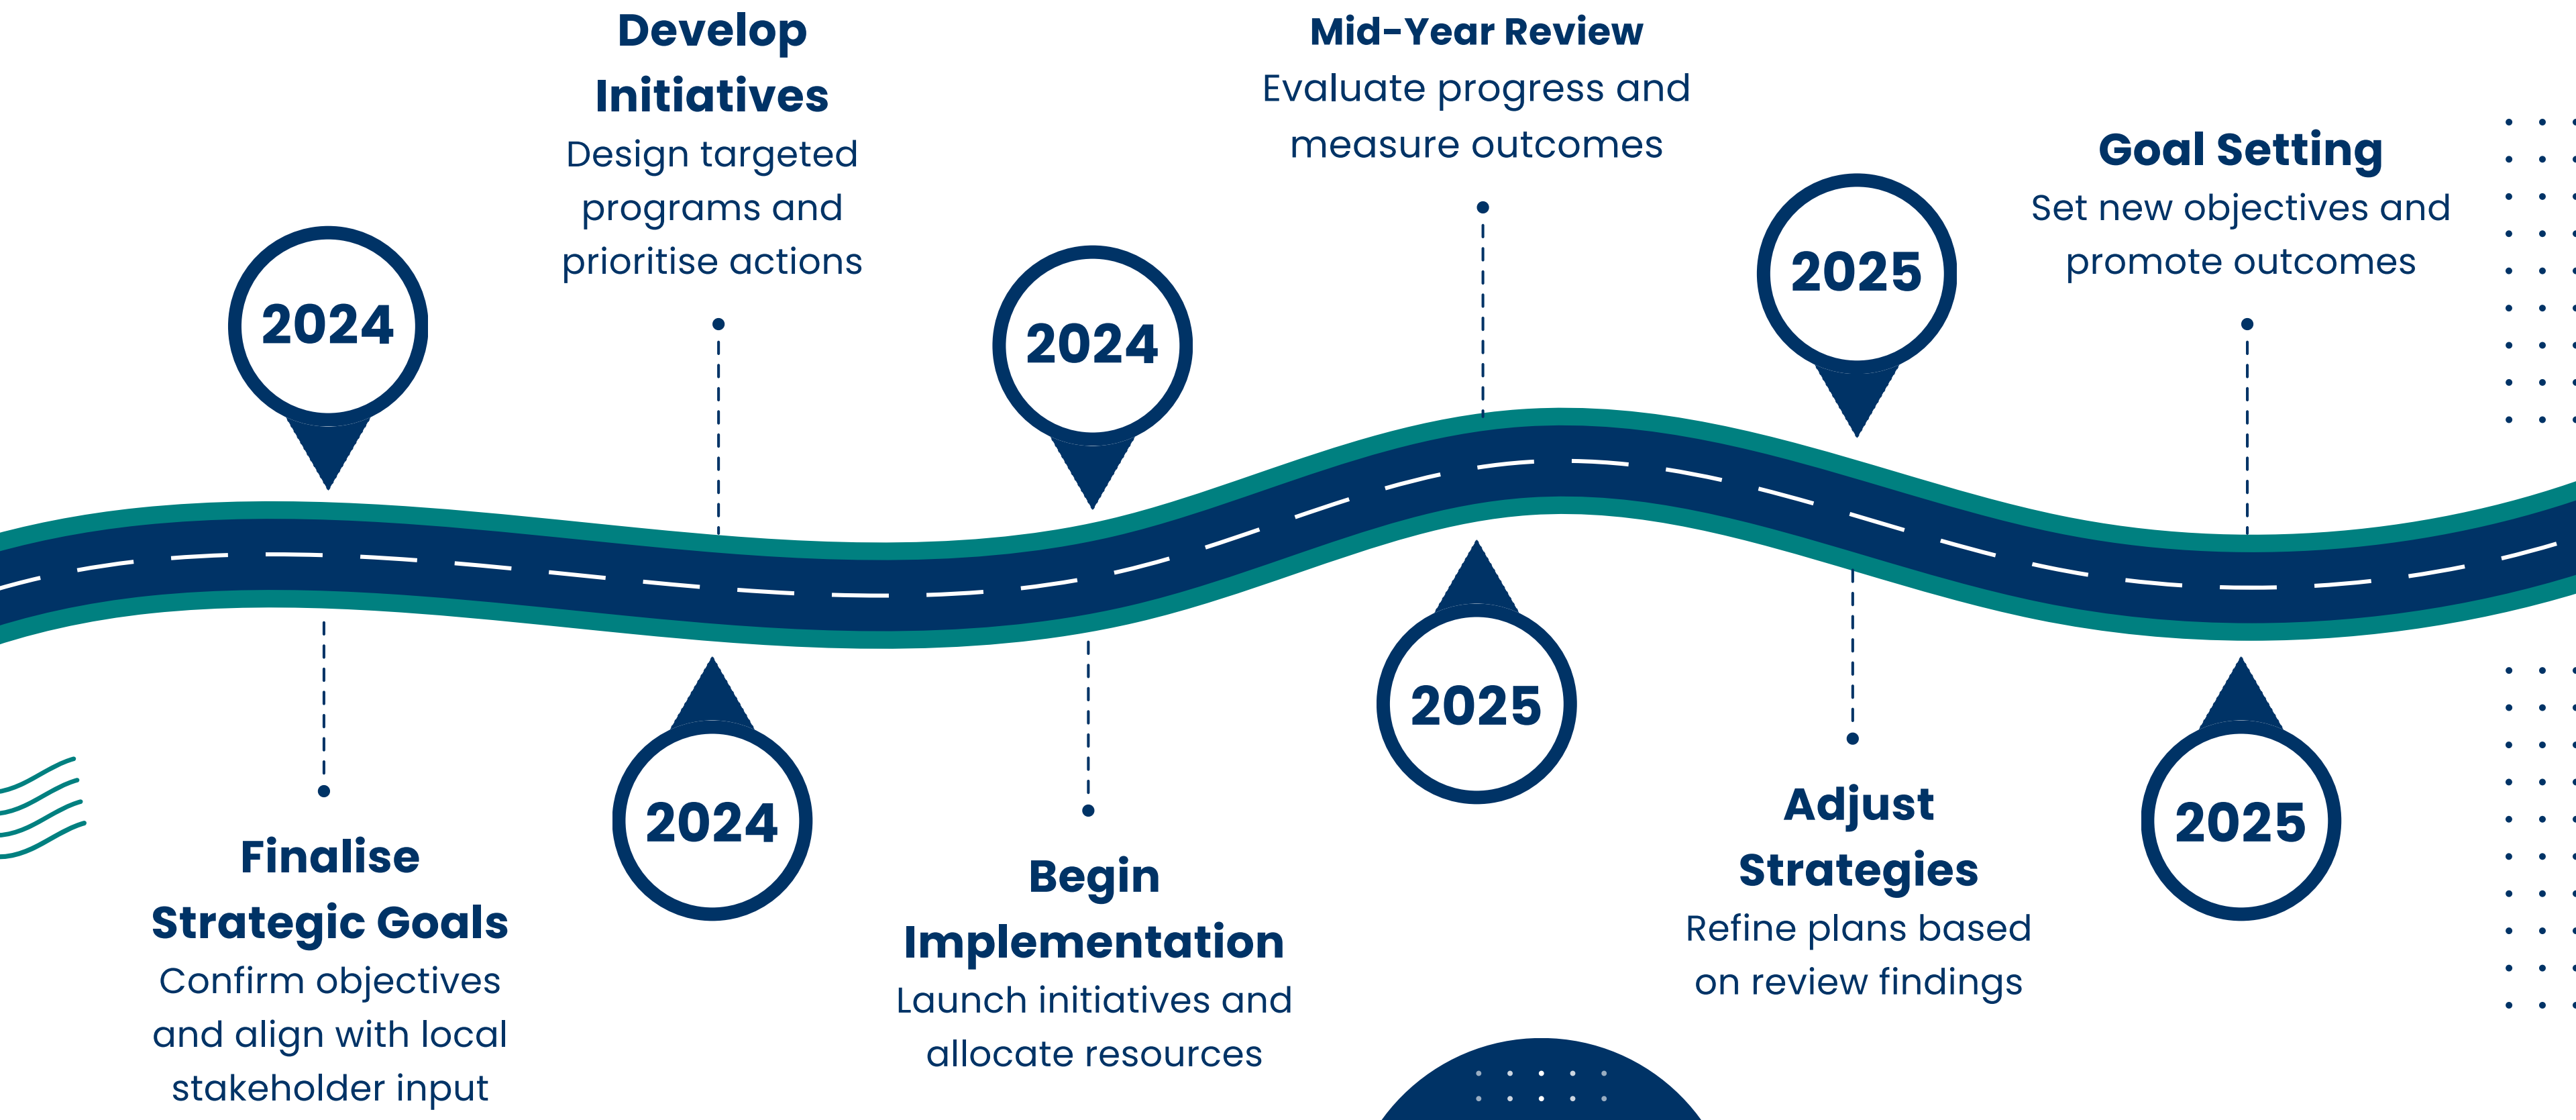

Initiatives address barriers to foster strong economic participation, build a skilled workforce and empower thriving First Nations children to achieve their full potential.

Camooweal Community Development

Drives Camooweal's growth through tourism, infrastructure, skills enhancement and youth empowerment, building a sustainable, thriving and engaged community

STRATEGIC IMPLEMENTATION

MOUNT ISA RJC JOBS PLAN

Showcase Mount Isa's opportunities to attract talent, boost careers, and drive regional economic growth

Local Workforce Community Forum

The RJC Local Workforce Forum addresses workforce challenges, fostering collaboration for skilling solutions in Mount Isa LGA and Camooweal

Co-Design and Capability Building Initiative

Co-design training programs with stakeholders to upskill workforce, align with industry demands and support regional economic growth

MOUNT ISA RJC JOBS PLAN

Employment Survey & Data Literacy Project

Build a skilled, resilient workforce and capabilities to drive economic growth, adaptability, and evidence-based regional strategies

Employment Survey Insight Initiative

Using insights from the Mount Isa Employment Survey, the RJC will foster a skilled, adaptable workforce, enhancing growth, satisfaction and retention

Remote & Regional Placement Forum

Foster collaboration to enhance skilled worker placement, improve services, and drive economic growth in remote and regional areas

FIRST NATIONS JOBS PLAN

Second Chance Integration

Reduce re-offending rates by addressing barriers to employment and training, fostering successful reintegration, and promoting community cohesion and acceptance

Pathway to Identity: Born to Be Counted

Enhancing access to ID and birth registration, ensuring recognition, inclusion and participation in education, training and employment for all

Strengthening Early Education and Workforce Development

Enhancing early education access and training to build a thriving First Nations workforce for better outcomes

CAMOOWEAL JOBS PLAN

Building Foundations: Strengthening Infrastructure and Tourism

Fostering Camooweal's growth through enhanced infrastructure, tourism development, skills training, and youth empowerment

Natural Skills, Stronger Communities

Developing natural skills and driving community participation to empower individuals and foster sustainable growth within the community

Camooweal Youth: Nurturing Safe Spaces and Opportunities

Empowering youth with a safe development space and providing valuable developmental opportunities for growth and success

EXPECTED OUTCOMES

Empowers regional communities through collaboration, tailored workforce solutions, and strategic alignment, driving economic growth, skills development and inclusive prosperity.

Enhanced Collaboration

Stronger partnerships among communities, industries and government drive coordinated efforts to address workforce challenges and stimulate economic growth

Tailored Solutions

Development and implementation of place-based initiatives tackle specific regional barriers and opportunities, fostering targeted and effective workforce interventions

Economic Growth and Resilience

Increased workforce participation, skills development and business support lead to sustained economic growth and greater regional prosperity

Ultimately, the Mount Isa RJC Program aims to leave a lasting legacy of positive change, resilience and prosperity within regional communities, creating opportunities for individuals and businesses to thrive and contribute to Queensland's economic and social advancement

Mount Isa Regional Jobs Committee

BIG THANKS

The committee is part of the Queensland Government's commitment to working with stakeholders in the regions to create more jobs, improve training pathways and raise investment in business and workforces across the state.
